UK 2AAA eLED PEN I

The 2AAA eLED PEN I produces a narrow, concentrated beam of light, while the rubberised lamp head prevents glare. The 2AAA PEN I is easy to attach to a coat pocket, which means it can be taken anywhere and is always ready to use. An optional beam guide with dual lens system concentrates the light precisely in those areas that would otherwise be out of reach.

FEATURES:

- **3 x brighter than other penlights**
- Protective rubber lens covers and reduces glare
- Rubber covered tail switch
- electrically non-conductive, non-corroding
- molded pocket clip
- ABS and Polycarbonate construction

Batteries: 2AAA Alkaline /LR3
Materials: PC/ ABS
